RECORD OF COMMUNICATION

Date: 4/5/90

To: Sherry Heller, County Administrator
Lancaster County
(717) 299-8000

From: Eric W. Johnson
SE/PA Section

Subject: RI/FS at Berkley Products

Summary of Conversation

I called the County offices to let them know about the RI/FS this summer and the residential well sampling later this month. I was referred to Ms. Heller and spoke with her about the project. She said that she would notify Bill Johnson, who is the Director of the County's Emergency Management Office.
